

PRIVACY POLICY

Our comprehensive data protection policy reflects our commitment to upholding high security standards.

Amber Rock Trade Ltd, and its subsidiaries, affiliates, partners, and related entities (collectively, the “**Company**,” “**we**,” “**us**,” or “**our**”), are committed on protecting the privacy and securing the personal and financial information of our clients. personal data

This Privacy Policy explains how we collect, use, process, store, disclose, and protect personal data when clients, users, employees, contractors, business introducers, and affiliates interact with the Company or use its services.

By accessing our website, platform, or services, opening an account, or continuing to use our services, you acknowledge that you have read, understood, and agreed to this Privacy Policy.

1. SCOPE AND APPLICABILITY

This Privacy Policy applies to:

- i. Clients and prospective clients
- ii. Website and platform users
- iii. Employees, contractors, consultants, and agents
- iv. Affiliates, partners, and business introducers

This policy applies regardless of the method of interaction, including online platforms, mobile applications, email, telephone, or other electronic or physical means.

2. DEFINITIONS

For the purposes of this Privacy Policy:

“Personal data” / “Personal data” means any information that identifies or can reasonably identify an individual, directly or indirectly.

“Processing” means any operation performed on Personal data, including collection, storage, use, disclosure, transmission, or deletion.

“Affiliates” means entities controlling, controlled by, or under common control with the Company.

“Partners” means third parties that provide services or products in cooperation with the Company.

“Business Introducers” means third parties that introduce clients to the Company under contractual arrangements.

“Third Parties” means any entity other than the Company and its Affiliates.

3.COLLECTION OF PERSONAL DATA

The Company collects the necessary information required to open a client's trading account and process transactions. In addition, we safeguard clients' assets and privacy while providing the services they need. To this end, the Company collects data from clients and in certain circumstances, obtains information from third parties such as banks, credit agencies, clearing agencies, and other relevant sources. This allows the Company to build a client profile based on their preferences and needs, ensuring effective service delivery.

The Company only collects information necessary to communicate with and identify clients. This include, without limitation personal details such as Identification and verification data, Information required for KYC, AML, CTF, fraud prevention, risk management, and regulatory compliance, financial and transactional data, communication and device data as well as Behavioral data

The said Personal data can be collected directly from clients or users, automatically through systems, platforms, cookies, logs, and monitoring tools as well as from third parties such as banks, payment providers and other legally permitted sources

Failure to provide the required information may result in refusal to open an account and/or account's suspension and/or termination of services.

The client is responsible for ensuring the accuracy and completeness of the provided information and the Company is not liable for consequences arising from inaccurate or outdated information supplied by clients.

Personal Data is retained for as long as necessary to fulfill legal and regulatory purposes. Data may be retained longer where required by law, regulation, dispute resolution, or enforcement obligations.

4. CLIENT CONSENT AND ONGOING AUTHORIZATION

By opening an account, using the Company's services, or continuing to interact with the Company, clients provide their informed and explicit consent to electronic storage and

processing of Personal data, cross-border data transfers and storage (where applicable) and legally mandated disclosures.

Continues use of services constitutes ongoing consent, subject to applicable law.

USE OF PERSONAL DATA

The Company uses clients' personal data for legitimate business and regulatory purposes in order to provide quality service and ensure security. This includes, but not limited to, uses for providing, operating, and maintaining services, regulatory compliance, audits and/or reporting, risk management, internal controls and monitoring, fraud detection, prevention, and investigation, legal claims and proceedings, dispute resolution and enforcement of rights.

Where possible, the client consents in anonymized or aggregated form of data usage for internal analytics, system testing and business improvement.

Marketing and promotional communications are optional. Clients may opt out at any time without affecting service-related communications, which are mandatory for account operation, security, and compliance.

Personal Data may be transferred, processed, and stored in jurisdictions outside the client's country of residence. By using the Company's services, client consents to such transfers.

If clients prefer not to receive such communications, they can opt out by contacting the Company at: compliance@tradertok.com

5.PROTECTION OF PERSONAL DATA

The Company implements administrative, technical, and physical safeguards consistent with industry standards to protect Personal Data. Access is restricted based on role-based "need-to-know" principles. Access to personal data is limited to personnel and/or agents who require such access to perform their role on a "need-to-know" basis and are subject to confidentiality obligations and appropriate disciplinary measures for violations of data protection policies.

No system is completely secure. The Company is not liable for unauthorized access, cyber incidents, or data breaches beyond its reasonable control, including force majeure events.

6. AFFILIATES AND PARTNERS

The Company may share personal data with affiliates as reasonably necessary to provide related products or services. Information may also be shared with partners and affiliates to offer additional products and services, provided that clients have authorized the Company to do so.

7. NON-AFFILIATED THIRD PARTIES

The Company does not sell, license, lease, or otherwise disclose clients' personal data to third parties, except as described in this Privacy Policy. However, the Company may disclose information to third parties where deemed necessary or appropriate for the protection of the Company's rights, including but not limited to legal rights, assets and/or safety and/or to facilitate or complete a merger, acquisition, financing and/or sale of assets through any means and/or procedure. Third parties include regulators, law enforcement, courts, and governmental authorities, professional advisors (lawyers, auditors and/or consultants) and technology providers, vendors, and service providers,

These third parties are required to use the shared information strictly for these functions and are obligated to protect clients' data in accordance with applicable laws. The Company is not responsible for third-party data practices where disclosure is lawful and beyond the Company's reasonable control.

8. CONTACTING CLIENTS

The Company may contact clients regarding promotional offers, as consented to during account registration, when agreeing to the Company's terms and conditions. Clients can opt out of such contact at any time by contacting the Company via phone or email and requesting no further communication.

The Company may contact clients through email, telephone calls and/or messages, in-platform notifications and other electronic or digital means necessary to operate accounts and deliver services.

Service-related communications are mandatory and include notices required for account operation, transaction processing, security alerts, regulatory disclosures, policy updates, system notifications, and compliance-related matters. Clients cannot opt out of service-related communications, as they are essential to the provision, security, and lawful operation of the Company's services.

Marketing and promotional communications are optional and include information about products, services, features, or promotional offers. Clients retain the right to opt out of marketing and promotional communications at any time.

Opting out of marketing or promotional communications does not affect the delivery of mandatory service-related communications.

Opt-out requests are processed within a reasonable period following receipt. During this processing period, clients may continue to receive limited marketing communications until the request is fully implemented.

9. CLIENT RIGHTS

Subject to applicable law, client may request to access their Personal Data, to correction inaccurate data and/or to request the deletion and/or restriction of processing (where legally permitted) and/or to object to certain processing activities. Requests may require identity verification and may be refused where legally justified.

Questions, concerns, or complaints regarding this Policy or the Company's data practices may be submitted using the contact information provided on the Company's website or platform.

The Company will acknowledge receipt of complaints or inquiries (set timeframe). The Company will investigate and respond substantively within 30 days, unless a longer period is required due to the complexity of the request or applicable legal obligations. If additional time is required, the Company will notify the individual of the delay and the reason for it, where permitted by law.

If an individual is not satisfied with the Company's initial response, they may request that the matter be reviewed by appropriate senior personnel or the Company's designated compliance officer.

The Company will make reasonable efforts to resolve escalated matters promptly and in good faith.

10. LIMITATION OF LIABILITY

The Company is not responsible for the privacy practices or content of websites linked to **tradertok.com**. When clients choose to link to co-branded or third-party websites, any personal data requested by those sites will be governed by the third-party's privacy policy. The Company does not guarantee or assume any responsibility for third-party tools, plugins, analytics services or any content provided by third parties.

Client's access or link to third-party websites, platforms, or services entirely at their own risk and the Company has no control over the privacy, security, or data-handling practices

of third parties and is not for any consequences arising from the use of such third-party services, including but not limited to unauthorized access, misuse and/or disclosure of personal information.

To the fullest extent permitted by applicable law, the Company is not liable for any losses, damages, or liabilities arising from or relating to the use of third-party services, plugins, integrations, co-branded platforms, or embedded content, except where such liability cannot be excluded by law.

11. USE OF COOKIES

The Company uses cookies to secure client trading activities and improve the functionality of the **tradertok.com** website. These cookies do not contain any personal or sensitive data but may collect information such as IP addresses, Device and browser information or usage patterns and behavioral data (aggregated or anonymized). Cookies are categorised as:

1. **Essential / Functional Cookies** that are required to operate the website, maintain user sessions, enable core features, and support account and service functionality.
2. **Performance / Analytics Cookies** to collect information on website usage and performance, such as page visits, navigation paths, load times, and errors, to improve services. All performance data is non-identifiable or aggregated.
3. **Marketing / Advertising Cookies** that are used to deliver targeted promotional content, offers, and advertisements where client consent is provided.

The Company complies with applicable cookie consent laws where required and ensures browser-level cookie management controls.

Where permitted by law, continued use of the website or platform constitutes consent to the placement and use of cookies as described in this Policy.

12. PRIVACY POLICY UPDATES

The Company reserves the unilateral right to amend, modify, update, or revise this Policy at any time in its sole discretion and changes take effect immediately upon publication on the Company's website or platform. Clients agree that posting the updated Privacy Policy on the website constitutes formal notice of the changes. Continued access to and/or use of the Company's services after the effective date of any changes constitutes acknowledgment and acceptance of the updated Policy, to the extent permitted by applicable law.

The Company encourages clients to review the Privacy Policy regularly to remain informed about the information collected, its usage, and potential disclosures in line with this policy.

This Privacy Policy is governed by and construed in accordance with the laws and jurisdiction specified in the Client Agreement, and any disputes are subject to the terms therein.

If any provision of this Privacy Policy is held to be invalid, illegal, or unenforceable, such invalidity does not affect the validity or enforceability of the remaining provisions, which continue in full force and effect.

Version: 3.1

Effective Date: 05.01.2026
